

PUBLIC NOTICE

Middlesex County Utilities Authority

**Notice of Renewal of NJDEP Title V Operating Permit at the
MCUA Cogeneration Facility**

Program Interest (PI) Number (No.): 18348

Effective Date: April 8, 2024

In accordance with the New Jersey Statutes Annotates (N.J.S.A.) 13:1D-157 and the New Jersey Department of Environmental Protection (NJDEP) Administrative Order 2021-25 (AO 2021-25), the Middlesex County Utilities Authority (MCUA) will hold a virtual Public Information Session as part of renewing its NJDEP Title V Operating Permit (Program Interest Number 18348) for the Cogeneration Facility located at 2571 Main Street Ext., Sayreville, New Jersey.

The Public Information Session will be held virtually on Teams on May 8, 2024, from 6:00 pm to 8:00 pm or until all attendees' comments have been recorded. Instructions on how to register for and join the meeting are available at <https://www.mcua.com/about-us/public-meetings-minutes/2024-1>. During the virtual session, the MCUA will receive oral and/or written comments on its Title V Operating Permit renewal.

The Title V Operating Permit was first approved on April 1, 2005 and has been renewed every five years. The current permit expired on March 31, 2020 and has been operating under a permit shield. There are no changes being proposed to the Title V Operating Permit. Upon NJDEP approval of this renewal, the Title V Operating Permit will be renewed for five years from the approval date.

Concurrent with this notice, the MCUA will also receive and consider written comments on the proposed Title V Operating Permit renewal for a sixty-day period starting on Monday, April 8, 2024, and ending on Friday, June 7, 2024. Comments can be submitted via electronic mail to PublicHearingMay2024@mcua.com or via United States Postal Service to:
