Mayor said that this governing body has had Town Hall meetings and that this governing body is all for medical marijuana. She said that she knew of the Council's support for medical marijuana and asked if this Council would be willing to have separate facilities for growing and/or processing marijuana here in Sayreville. Council President Buchanan stated that last year they had a Sub-Committee comprised of himself, past Councilmen Grillo and Lembo. **BE IT ORDAINED AND ENACTED BY THE BOROUGH COUNCIL OF THE BOROUGH OF SAYREVILLE, IN THE COUNTY OF MIDDLESEX, STATE OF NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:**

**SECTION 1.** The improvements or purposes described in Section 3 of this bond ordinance are hereby authorized as general improvements or purposes to be undertaken by the Borough of Sayreville, in the County of Middlesex, State of New Jersey (the "Borough"). For the said improvements or purposes stated in Section 3 hereof, there is hereby appropriated the sum of \$2,100,000, which sum includes a down payment for said improvements or purposes in the amount of \$105,000 required by the Local Bond Law, N.J.S.A. 40A:2-1 et seq. (the "Local Bond Law"). The down payment is available by virtue of a provision or provisions in a previously adopted budget or budgets of the Borough for down payment or for capital improvement purposes.

**SECTION 2.** For the financing of said improvements or purposes described in Section 3 hereof and to meet the part of said \$2,100,000 appropriation not provided for by application hereunder of the \$105,000 down payment, negotiable bonds of the Borough are hereby authorized to be issued in a principal amount not exceeding \$1,995,000 pursuant to and within the limitations prescribed by the Local Bond Law. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the Borough in a principal amount not exceeding \$1,995,000 are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

**SECTION 3.** (a) The improvements hereby authorized and the purposes for which said bonds or notes are to be issued are for the (i) acquisition of various non-passenger vehicles, including, but not limited to, SUV vehicles for use by the Police Department, a fire truck, non-passenger vehicles for use by the Buildings and Grounds Department and by the Code Enforcement Department, a backhoe, a dump cab and chassis, hook lift flatbeds, and an automated truck, and (ii) acquisition and installation, as applicable, of various equipment, including, but not limited to, turnout gear and various equipment for use by the Fire Department, automated refuse containers, a hoist and tarp system, and a camera system for a loader. Such improvements or purposes are to include, but are not limited to, as applicable, all necessary related improvements, engineering and design work, preparation of plans and specifications, permits, bid documents, contract administration, work, materials, equipment, accessories, labor and appurtenances necessary therefor or incidental thereto, all in accordance with the plans and specifications on file in the Office of the Clerk of the Borough and available for public inspection.

(c) The estimated cost of said improvements or purposes is \$2,100,000, the excess thereof over the said estimated maximum amount of bonds or notes to be issued therefor is the down payment in the amount of \$105,000 available for such improvements or purposes.

**SECTION 4.** In the event the United States of America, the State of New Jersey, and/or the County of Middlesex make a contribution or grant in aid to the Borough, for the improvements and purposes authorized hereby and the same shall be received by the Borough prior to the issuance of the bonds or notes authorized in Section 2 hereof, then the amount of such bonds or notes to be issued shall be reduced by the amount so received from the United States of America, the State of New Jersey and/or the County of Middlesex. In the event, however, that any amount so contributed or granted by the United States of America, the State of New Jersey and/or the County of Middlesex, shall be received by the Borough after the issuance of the bonds or notes authorized in Section 2 hereof, then such funds shall be applied to the payment of the bonds or notes so issued and shall be used for no other purpose. This Section 4 shall not apply, however, with respect to any contribution or grant in aid received by the Borough as a result of using funds from this bond ordinance as “matching local funds” to receive such contribution or grant in aid.

**SECTION 5.** All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer of the Borough, provided that no note shall mature later than one (1) year from its date or otherwise authorized by the Local Bond Law. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. All notes issued hereunder may be renewed from time to time in accordance with the provisions of the Local Bond Law. The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver them to the purchaser thereof upon receipt of payment of the purchase price and accrued interest thereon from their dates to the date of delivery thereof. The Chief Financial Officer is directed to report in writing to the governing body at the meeting next succeeding

The capital or temporary capital budget of the Borough is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith. To the extent that the purposes authorized herein are inconsistent with the adopted capital or temporary capital budget, a revised capital or temporary capital budget has been filed with the Division of Local Government Services.

**SECTION 7.** The following additional matters are hereby determined, declared, recited and stated:

(a) The improvements or purposes described in Section 3 of this bond ordinance are not current expenses and are improvements or purposes which the Borough may lawfully undertake as general improvements or purposes, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of said improvements or purposes within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is 7.19 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the Office of the Clerk of the Borough and a complete executed duplicate thereof has been filed in the Office of the Director of the Division of Local Government Services, New Jersey Department of Community Affairs, and such statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds or notes provided for in this bond ordinance by \$1,995,000 and the said bonds or notes authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

(d) An aggregate amount not exceeding \$16,000 for items of expense listed in and permitted under section 20 of the Local Bond Law is included in the estimated cost indicated herein for the purposes or improvements hereinbefore described.

**SECTION 8.** The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the bonds or notes authorized by this bond ordinance. The bonds or notes shall be direct, unlimited obligations of the

Borough, and the Borough shall be obligated to levy *ad valorem* taxes upon all the taxable property within the Borough for the payment of the principal of the bonds or notes and the interest thereon without limitation as to rate or amount.

**SECTION 9.** The Borough reasonably expects to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. This Section 9 is intended to be and hereby is a declaration of the Borough's official intent to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof to be incurred and paid prior to the issuance of bonds or notes authorized herein in accordance with Treasury Regulations §1.150-2. All reimbursement allocations will occur not later than eighteen (18) months after the later of (i) the date the expenditure from a source other than any bonds or notes authorized herein is paid, or (ii) the date the improvements or purposes described in Section 3 hereof is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than three (3) years after the expenditure is paid.

**SECTION 10.** The Borough covenants to maintain the exclusion from gross income under section 103(a) of the Internal Revenue Code of 1986, as amended, of the interest on all bonds and notes issued under this bond ordinance.

**SECTION 11.** The Chief Financial Officer of the Borough is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the Borough, which are authorized herein, and to execute such disclosure document on behalf of the Borough. The Chief Financial Officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the Borough pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the Borough, which are authorized herein, and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the Borough fails to comply with its undertaking, the Borough shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

**SECTION 12.** This bond ordinance shall take effect twenty (20) days after the first publication hereof after final adoption and approval by the Mayor, as provided by the Local Bond Law.

**RESOLUTION #2019-163**

**WHEREAS**, Ikon at Route 35 Corporation is the holder of Plenary Retail Consumption License #1219-33-001-013 in the Borough of Sayreville; and

**WHEREAS**, the licensee did file a verified petition requesting authorization for the Borough of Sayreville to consider its renewal application for the 2019-2020 license term; and

**WHEREAS**, on May 14, 2019, James B. Graziano, Director of the State Division of Alcoholic Beverage Control, did make a Special Ruling to permit the filing of a renewal application of an inactive license, pursuant to N.J.S.A. 33:1-12.39, Agency Docket No. 05-19-105 for a **two-year period**, covering the **2019/2020 and 2020/2021 license terms**; and

**WHEREAS**, the said Special Ruling of the Director does authorize the Mayor and Borough Council to consider the application for renewal of the subject license for the 2019/2020 license term and to grant or deny said application in the reasonable exercise of its discretion;

**WHEREAS**, said applicant has complied with the necessary requirements including payment of fees, etc.

**NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED** that the Mayor and Borough Council do hereby grant the renewal of Plenary Retail Consumption License No. 1219-33-001-013 to the licensee for the 2019/2020 license term, pursuant to special conditions as contained in the Special Ruling issued by the Director of the State Division

of Alcoholic Beverage Control issued on May 13, 2019 and is also subject to the following conditions that remain as part of the license:

1. Licensee shall continue to implement and provide valet parking for its patrons on all nights of operation. The Chief of Police may grant a waiver, on occasion, of the requirement that valet parking be provided if the Licensee demonstrates, to the reasonable satisfaction of the Chief of Police, that Licensee's level of occupancy on such specific occasion is anticipated to be significantly less than the legal occupancy so as to satisfy the Chief that valet parking will not be necessary on such specific occasion. The granting of any such waiver on one occasion shall not entitle Licensee to such a waiver on any other occasion.
2. The above-described valet parking requirement shall remain in effect unless and until a recommendation for other appropriate traffic control procedures, developed by a licensed traffic or civil engineer or consultant at Licensee's expense, is received and approved by the Mayor and Council as a substitute measure.
3. Licensee shall institute a policy and instruct its parking lot attendants and employees to abide by a policy that requires that, when the parking facilities used by the Licensed Premises are at full capacity, any additional cars seeking to enter the parking lots shall be "waved off" by parking lot attendants in order to insure that traffic jams do not occur but that such traffic continues to move through and out of the area of the Licensed Premises when there are no legal spaces available in the Licensed Premises parking lots to accommodate additional cars.
4. Licensee shall strictly enforce a policy that patrons who have been admitted to enter the Licensed Premises who subsequently exit the Licensed Premises will not be permitted to re-enter the Licensed Premises on the same day/evening. This measure is intended to address the Mayor and Council's previous finding that drug activity was noted on the Licensed Premises and in recognition of the fact that a practice of allowing patrons to exit and then re-enter the Licensed Premises facilitates drug activities by providing an opportunity for such persons to retrieve contraband from their vehicles for use and/or distribution inside and adjacent to the Licensed Premises. Additionally, this measure is intended to alleviate the problem of patrons loitering in and around the parking lot during Licensee's operating hours and engaging in illegal, disorderly or nuisance causing behaviors.
5. Licensee's security staff shall be required to obtain photo identification cards, prepared by the Sayreville Police Department, that must be kept on their persons at all times while employed at or located on Licensee's property. This measure is intended to alleviate difficulties encountered by police investigating complaints on the premises, in which members of the security staff are identified as either potential witnesses or suspects and is also designed in response to the findings of a previous ABC investigation in which it was discovered that some of the employees found on-site during the investigation were not properly entered in Licensee's employee records.
6. Licensee shall provide proper trash receptacles in the parking lot and shall cause Licensee's parking lots and outside premises, as well as all residential areas within a five hundred (500) foot radius of the Licensed Premises, to be cleaned of all litter, trash and other discarded items. Such cleaning shall be accomplished by ten o'clock in the morning (10:00 a.m.) each day following the hours of operation of the Licensed Premises such that the above-described areas shall be free from all such litter, trash and other discarded items as may be generated by and/or associated with Licensee's operation. To the extent that residents within such five hundred (500) foot radius consent to permit access to private property for the purposes of such cleaning on private property, Licensee shall cause such private property to be cleaned of all litter, trash and other discarded items, at Licensee's sole cost. This measure is designed to alleviate any problem associated with the accumulation of empty beverage containers, cans, bottles and other debris that results from the operation of the Licensed Premises.

7. Licensee shall install “zero tolerance” signs inside the Licensed Premises, at or adjacent to the entry to the premises, containing language indicating that patrons will be prosecuted to the fullest extent of the law for any possession, sale or distribution of any drug, controlled substance or drug paraphernalia. This measure is designed to discourage drug activity occurring at or on the Licensed Premises.

8. Licensee shall install soundproofing equipment and/or take any other necessary steps to limit the escape of sound and vibration from the Licensed Premises, sufficient to ensure that no audible sound is transmitted beyond the property line of the Licensed Premises. This measure is designed to alleviate concerns regarding noise levels as recounted from complaints received by members of the Council pertaining to the Licensed Premises.

9. Licensee shall cease all sales of alcohol at 1:30 a.m. and shall cease the playing of all music at 1:45 a.m. This measure is designed to facilitate the prompt and orderly exiting of patrons at or before the time of closing and to prevent large groups of patrons from exiting the Licensed Premises at the same time, resulting in loitering around the Licensed Premises and in the street, blocking traffic and inhibiting the dispersal of other patrons from the Licensed Premises and from the area.

10. Licensee shall institute a policy that on nights where patrons aged eighteen (18) through twenty (20) may be admitted to the premises along with patrons aged twenty-one (21) and over, such patrons over the age of twenty-one (21) shall be required to wear secure wristbands of a color differentiated from any wristbands required to be worn by patrons under the age of twenty-one (21). All such wristbands shall be incapable of being re-attached once removed, in order to prevent violations of laws prohibiting sales of alcohol to persons under twenty-one (21). This measure is designed to prevent violations of drinking age laws, as noted by the Council in previous findings of fact related to a prior disciplinary action.

11. Licensee shall securely stow all alcoholic beverages and shall not serve any alcohol whatsoever on those occasions that Licensee provides access to teenagers under the legal drinking age at events commonly referred to as “Teen Nights”. During such events, all alcoholic beverages shall be removed from the bar areas and secured. This measure is designed to prevent violations of drinking age laws as noted by the Council in previous findings related to a prior disciplinary action.

12. Licensee shall require all security staff, except for undercover security staff employed by Licensee, to wear clothing or uniforms which are highly visible and well marked on the front and rear. This shall include orange shirts with black block letters stating “SECURITY”. This measure is designed to ensure that security staffers constitute a visible, identifiable and adequate security presence to discourage unlawful, disorderly, or hazardous activities within the Licensed Premises and in the parking lot to further assist police in identifying security personnel when patrolling or responding to complaints or calls.

13. Licensee shall institute a policy of providing security staff in a ratio of one (1) security employee for each fifty (50) patrons, and that such security personnel be stationed in the parking lot area of the premises at all times during the hours of operation to control and supervise the parking lot area, not only with regard to parking, but with regard to the conduct and behavior of the patrons while on the Licensed Premises. Parking attendants and valet

2019-163

parking staff shall not count as “security staff” in calculating the proper ratio of security staff to patrons. The ratio of one (1) security employee for every fifty (50) patrons is only for those security personnel who are being identified and/or are in uniform. Any undercover personnel that Licensee wishes to employ are in addition to the one per fifty patron security ratio. This measure is designed to ensure that the security staff employed by Licensee is sufficient to handle the numbers of patrons in attendance on a given night so as to constitute a visible, identifiable and adequate security presence, to discourage unlawful, disorderly, or hazardous activities within the Licensed Premises and in the parking lot.

- 14. On promotional evenings, when a large crowd is expected, Licensee will coordinate with the police.
  
- 15. Licensee shall strictly enforce a policy to bar admittance to any patron who is not wearing a non-removable wristband, that has been provided to such patron by Licensee's valet parking attendant or parking supervisor, as evidence that the vehicle in which such patron arrived at the Licensed Premises has been parked in Licensee's parking lot. The only exception to this policy shall be for those patrons who demonstrate to Licensee before admittance that they hold a valid New Jersey motor vehicle license indicating that they reside within five hundred (500) feet of the Licensed Premises and have not arrived at the Licensed Premises in a motor vehicle. This condition is intended to restrict admittance to the Licensed Premises to only those patrons whose vehicles, as a driver or occupant thereof, are lawfully parked in Licensee's parking lot, in order to address issues raised by an Objector and her witnesses regarding illegal parking, property trespass, loitering and related nuisances.
  
- 16. Licensee shall institute a policy requiring its security staff to immediately report to the Sayreville Police Department any violations of Title 39 observed by such staff in and around the Licensed Premises, and to provide the Borough clerk, on a monthly basis, with a list of all such reports made by Licensee's security staff to police within the prior month.
  
- 17. On a weekly basis, Licensee will deliver in person, mail, or fax a copy of the E-141-A list, commonly known as the employee list, to the Police Department. DJs, dancers, and other entertainers are to be included as employees, as per ABC rules.
  
- 18. Licensee shall provide a list of entertainers who are booked prior to the scheduled date. The information shall be delivered to the Sayreville Police Department at the time a contract is executed and signed and the information shall be delivered to the Sayreville Police Department as to the name of the outside entertainer employees.

11. Licensee shall continue to implement and provide valet parking for its patrons on all nights of operation. The granting of any such waiver on one occasion shall not entitle the Licensee to such a waiver on any other occasion, without the approval of the Chief of Police.

**T/A COLOSSEUM WITH CONDITIONS FOR THE**  
**2019/2020 LICENSE YEAR**

**WHEREAS**, Stock Enterprise, Inc. t/a Colosseum is the holder of Plenary Retail Consumption License # 1219-33-022-003 issued by the Mayor and Council of the Borough of Sayreville as the Issuing Authority; and

**WHEREAS**, application for renewal has been made to the Mayor and Borough Council of the Borough of Sayreville for the 2019/2020 licensing term; and

**WHEREAS**, said applicant has complied with the necessary requirements including payment of fees, etc.

**WHEREAS**, the licensee did file a verified petition requesting authorization for the Borough of Sayreville to consider its renewal application for the 2019/2020 license term; and

**WHEREAS**, on September 4, 2018, David P. Rible, Director of the State Division of Alcoholic Beverage Control, did make a Special Ruling to permit the filing of a renewal application of a pocket license, pursuant to N.J.S.A. 33:1-12.39, Agency Docket No. 08-18-464 for a two-year period, covering the 2018/2019 and 2019/2020 license terms; and

**WHEREAS**, the said Special Ruling of the Director does authorize the Mayor and Borough Council to consider the application for renewal of the subject license for the 2019/2020 license term and to grant or deny said application in the reasonable exercise of its discretion;

**BE IT FURTHER RESOLVED THAT** Plenary Retail Consumption License Number 1219-33-022-003, Stock Enterprise, Inc. t/a Colosseum, is hereby renewed for the 2019/2020 license year, subject to the following conditions remaining on the license:

1. Licensee or any other transferee, person or entity who may retain a present or future possessory interest in the License must close the Licensed Premises for sixty (60) days of continuous operation after the License has been reactivated. Such sixty (60) day suspension will commence on the thirtieth (30<sup>th</sup>) day after the Licensed Premises has been in operation and open for business.
2. Licensee or any other transferee, person or entity who may retain a present or future possessory interest in the License will not submit a request to the Director of the New Jersey Division of Alcoholic Beverage Control requesting a monetary payment in lieu of the sixty (60) day suspension or any other offer in compromise of suspension at any time in the future.
3. Licensee will not appeal this sixty (60) day suspension or the terms thereof to the Director of the New Jersey Division of Alcoholic Beverage Control at any time in the future.
4. All current existing conditions already on the License shall remain with the License and will not be affected by Licensee's sixty (60) day suspension. These conditions on the License shall remain with the License for each and every renewal period until further resolution by the Mayor and Council.
5. The License is revocable at any time for failure to comply with these conditions. Any violation of Alcohol Beverage Control Law or the previously mentioned conditions may result in immediate revocation of the License.

6. Licensee shall establish a litter-free zone surrounding the Licensed Premises as well as any littering in the neighborhood which can be directly attributed to the conduct of the business and must assign specific personnel on a daily basis to accomplish the fore-mentioned litter-free zone.

7. Licensee shall implement and shall strictly enforce a policy that patrons who have been admitted to enter the Licensed Premises and who subsequently exit the Licensed Premises will not be permitted to re-enter the Licensed Premises on the same day/evening. This is in recognition of the fact that this activity of re-entering the Licensed Premises by patrons provides the patrons the opportunity to facilitate the use of drug activities inside the Licensed Premises.

8. The employees and staff of Licensee shall be required to obtain photo identification cards prepared by and from the Sayreville Police Department. Said identification card must be kept on their persons at all times while employed at and located on the property of Licensee. The purpose of this requirement is to alleviate difficulties encountered by police investigating complaints on the premises in which members of the security staff are identified as either potential witnesses or suspects and designed to respond to the findings of a previous ABC investigation in which it was determined that some of the employees found on-site during the investigations were not properly entered in the employee records of the Licensee.

9. Licensee shall provide proper trash receptacles in the parking lots and outside the Licensed Premises as well as all residential areas within a five hundred (500) foot radius of the Licensed Premises. This includes all parking lots, Chevalier Avenue from Oak Street to Route 35 and Oak Street from Old Route 4 to Fouratt Avenue, Route 9 & 35 from Chevalier Avenue South to and including the business Beau Monde Furniture, which shall be cleaned of all litter, trash and other discarded items. This cleaning shall be accomplished by 10:00 a.m. each day following the hours of operation of the Licensed Premises. The described areas shall be free from all such litter, trash and other discarded items as may be generated by and/or associated with the operation of the Licensee, to the extent that the residents within the five hundred (500) foot radius consent to permit access to their private property to be cleaned of all litter, trash and other discarded items at the sole cost and expense of Licensee. This measure is designed to alleviate any problems associated with the accumulation of empty beverage containers, can, bottles, and other debris that is the result from the operation of the Licensed Premises.

10. Licensee shall install "zero tolerance" signs inside the Licensed Premises at or adjacent to the entry to the premises containing language indicating that the patrons will be prosecuted to the fullest extent of the law for any possession, sale or distribution of any drug, controlled substance or drug paraphernalia. This measure is designed to discourage drug activity occurring at or on the Licensed Premises.

11. Licensee shall install soundproofing equipment and take any other necessary steps to eliminate the emission of sound and vibration from the Licensed Premises sufficient to ensure that no audible sound is transmitted beyond the property line of the Licensed Premises. This measure is designed to alleviate concerns regarding noise levels as recounted from complaints received. The bass beat is not to be transmitted to the exterior of the building. The doors to the Licensed Premises will remain closed at all times.

12. Licensee shall cease all sales of alcohol at 1:30 a.m. and shall cease the playing of music at 1:45 a.m. This measure is designed to facilitate the prompt and orderly exiting of patrons at or before the time of closing and to prevent large groups of patrons from exiting the Licensed Premises at the same time resulting in loitering around the Licensed Premises and in the street, blocking traffic and inhibiting the dispersal of other patrons from the Licensed Premises and from the area. The Licensed Premises is to be vacated by all patrons by 2:00 a.m.

13. Licensee shall institute a policy that on nights where patrons aged eighteen (18) through twenty (20) may be admitted to the Licensed Premises along with patrons aged twenty-one (21) and over, such patrons over the age of twenty-one (21) shall be required to wear secure wristbands of a color differentiated from any wristbands required to be

worn by patrons under the age of twenty-one (21), and that patrons age twenty (20) and under shall be stamped with an indelible mark on their hands in order to prevent violations of laws prohibiting sales of alcohol to persons under age twenty-one (21). All such wristbands shall be incapable of being reattached once removed in order to prevent violations of laws prohibiting sales of alcohol to persons under age twenty-one (21). This measure is designed to prevent violations of the drinking age laws.

14. Licensee shall securely stow all alcoholic beverages and shall not serve any alcohol whatsoever on those occasions that Licensee provides access to teenagers under the legal drinking age at events commonly referred to as "Teen Nights". During such events, all alcoholic beverages shall be removed from the bar areas and secured. This measure is designed to prevent violations of drinking age laws as noted by the Council in previous findings related to a prior disciplinary action. This condition is included in anticipation of Licensee having a "Teen Night" in the future.

15. Licensee shall require all security staff, except for undercover security staff employed by Licensee to wear clothing or uniforms which are highly visible and well marked on the front and rear. This will include orange shirts with black block letters stating "SECURITY". This measure is designed to ensure that security staffers constitute a visible, identifiable and adequate security presence to discourage unlawful, disorderly, or hazardous activities within the Licensed Premises and in the parking lot and further to assist police in identifying security personnel when patrolling or responding to complaints or calls.

16. Licensee shall institute a policy of providing minimum security staff in a ratio of one (1) security employee for each fifty (50) patrons, and that such security personnel be stationed in the parking lot area of the premises at all times during the hours of operation to control and supervise the parking lot area, not only with regard to parking, but with regard to the conduct and behavior of the patrons while on the Licensed Premises.

17. Parking attendants, valet parking staff, waitresses, bartenders, and the owner shall not count as "security staff" in calculating the proper ratio of security staff to patrons. Any undercover security will be in addition to the readily identifiable security and not included in the security of one (1) per fifty (50) patrons. This measure is designed to ensure that the security staff employed by Licensee is sufficient to handle the number of patrons in attendance on a given night so as to constitute a visible, identifiable and adequate security presence, to discourage unlawful, disorderly, or hazardous activities within the Licensed Premises and in the parking lot. All security staff are to expedite the removal of all customers from the premises by 2:00 a.m. and then exit and assist in the dispersal of the customers from the parking lots.

18. On promotional evenings, when a large crowd is expected, Licensee will coordinate with the police and notify the Police Department a minimum of two (2) weeks (fourteen days) in advance.

19. On a weekly basis, Licensee will deliver in person, mail, or fax a copy of the E-141-A list, commonly known as the employee list, to the Police Department. DJs, dancers, and other entertainers are to be included as employees, as per ABC rules.

20. Licensee shall institute a policy and instruct its parking lot attendants and employees to abide by a policy that requires that, when the parking facilities used by the Licensed Premises are at full capacity, any additional cars seeking to enter the parking lots shall be "waved off" by parking lot attendants in order to ensure that traffic jams do not occur, but that such traffic continues to move through and out of the area of the Licensed Premises when there are no legal spaces available in the Licensed Premises' parking lots to accommodate additional cars. "Wave off" will also be put in place when traffic backs up onto Route 9 & 35 North.

**WHEREAS, F&B Associates of New Jersey, LLC, t/a Starland Ballroom** is the holder of Plenary Retail Consumption License Number 1219-33-044-006 issued by the Governing Body of the Borough of Sayreville as the Issuing Authority for premises located at 570 Jernee Mill Road, Sayreville, New Jersey; and

**WHEREAS,** the Licensee has made application for the renewal of Plenary Retail Consumption License No. 1219-33-044-006 for the **2019/2020 license term**; and

**WHEREAS**, said applicant has complied with the necessary requirements including payment of fees, etc.;

**NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED** by the Mayor and Borough Council of the Borough of Sayreville, as follows:

1. That Plenary Retail Consumption License No. 1219-33-044-006, F & B Associates of New Jersey, LLC is hereby renewed for the **2019/2020** license term, subject to the following terms and conditions as contained in the Settlement Agreement approved by Resolution #2010-145, adopted on June 28, 2010 and remaining on the license:

a. The licensee shall continue to implement and provide valet parking and or managed or supervised parking for its patrons on all nights of operation. The Chief of Police may grant a waiver, on occasion, of the requirement that valet parking and/or managed or supervised parking be provided, if the licensee demonstrates to the reasonable satisfaction of the Chief of Police, that the licensee's level of occupancy on such special occasion is anticipated to be significantly less than the legal occupancy so as to satisfy the Chief that valet parking will not be necessary on such specific occasion. The granting of any such waiver on one occasion shall not entitle the licensee to such a waiver on any other occasion.

b. The licensee shall institute a policy and instruct its attendants and employees to abide by a policy that requires that, when the parking facilities used by the licensed premises are at full capacity, any additional cars seeking to enter the parking lots shall be "waved off" by parking lot attendants in order to diminish the likelihood that traffic jams occur, and to insure that such traffic continues to move through and out of the area of the licensed premises when there are no legal spaces available in the licensed premises' parking lots to accommodate additional cars.

c. The licensee shall strictly enforce a policy that patrons who have been admitted to enter the licensed premises and who subsequently exit the licensed premises will not be permitted to re-enter the licenses premises on the same day/evening. This measure is intended to alleviate the problem of patrons loitering in and around the parking lot during licensee's operating hours and engaging in illegal, disorderly or nuisance causing behaviors.

d. The licensee's security staff shall be required to obtain photo identification cards, prepared by the Sayreville Police Department that must be kept on their persons at all times while employed at or located on the 2019-184

licensee's property. This measure is intended to alleviate difficulties encountered by police investigating complaints on the premises, in which members of the security staff are identified as either potential witnesses or suspects.

e. The licensee shall cause its parking lots and outside premises, as well as all areas within a 200 ft. radius of the licensed premises to be clean of all litter, trash and other discarded items. Such cleaning shall be accomplished by ten o'clock in the morning (10:00 am) each day following the hours of operation of the licensed premises, such that the above-described areas shall be free from all such litter, trash and other discarded items as may be generated by and/or associated with licensee's operations.

f. The licensee shall install "zero tolerance" signs inside its premises and at or adjacent to the entry to the premises, containing language indicating that patrons will be prosecuted to the fullest extent of the law for any possession, sale or distributions of any drugs, controlled substance or drug paraphernalia.

This is designed to discourage drug activity occurring at or on the licensed premises.

g. The licensee shall cease all sales of alcohol at 1:30 am and shall cease the playing of all music at 1:45 am.

This measure is designed to facilitate the prompt and orderly exiting of patrons at or before the time of closing and to prevent large groups of patrons from exiting the licenses premises at the same time, resulting in loitering around the licensed premises and in the street blocking traffic and inhibiting the dispersal of other patrons from the licensed premises and from the area.

h. The licensee shall install a policy that on nights when patrons ages eighteen years of age (18) through twenty years of age (20) may be admitted to the premises along with patrons aged twenty-one years (21) and over, such patrons over the age of twenty-one years (21) shall be required to wear secure wrist bands of a color differentiated from wrist bands required to be worn by patrons under the age of twenty-one years (21). All such wristbands shall be incapable of being reattached once removed in order to prevent violations of law prohibiting sales of alcohol to persons under twenty-one years of age (21).

i. The licensee shall securely stow all alcoholic beverages and shall not serve any alcohol whatsoever on those occasions that the licensee provides access to teenagers under the legal drinking age at events commonly referred to as "teen nights." During such events, all alcohol shall be removed from the bar areas and secured.

j. The licensee shall require all security staff, except for undercover security staff employed by licensee, to wear clothing or uniforms which are highly visible and well marked on the front and rear. This shall included orange shirts with black block letters stating "SECURITY." This measure is designed to ensure that security staffers constitute a visible, identifiable and  
2019-184

adequate security presence to discourage unlawful, disorderly, or hazardous activities within the licensed premises and in the parking lot to further assist police in identifying personnel when patrolling or responding to complaints or calls.

k. The licensee shall institute a policy of providing security staff in a ratio of one (1) security employee for each fifty (50) patrons, and that such security personnel be stationed in the parking lot area of the premises at all times during the hours of operation to control and supervise the parking lot area, not only with regard to parking, but with regard to the conduct and behavior of the patrons while on the licensed premises. Parking attendants and valet parking staff shall not counts as "security staff" in calculating the proper ratio of security staff to patrons. The ration of one (1) security employee for every fifty (50) patrons is only for those security personnel who are being identified and/or are in uniform. Any undercover personnel the licensee wishes to employ are in addition to the one per fifty patron security ratio. This measure is designed to ensure that the security staff employed by the licensee is sufficient to handle the number of patrons in attendance on a given night so as to constitute a visible, identifiable, and adequate security presence, to discourage unlawful, disorderly, or hazardous activities within the premises and in the parking lot.

l. On promotional nights, licensee will coordinate with the Sayreville Police.

m. On a weekly basis, licensee will deliver in person, mail, or fax a copy of the E-141-A list, commonly known as the employee list, to the Sayreville Police Department. DJ's, dancers, and other entertainers are to be included as employees, as per ABC rules.

**NOW THEREFORE BE IT FURTHER RESOLVED** that Borough Clerk is hereby authorized and directed to make the necessary notations or endorsements to the License certificate

**EXHIBIT A**

**PURE EVENT CENTER, INC.**

1. Licensee shall strictly enforce a policy that patrons who have been admitted to enter the Licensed Premises who subsequently exit the Licensed Premises will not be permitted to re-enter the Licensed Premises on the same day/evening. This measure is intended to address the Mayor and Council's previous finding that drug activity was noted on the Licensed Premises and in recognition of the fact that a practice of allowing patrons to exit and then re-enter the Licensed Premises facilitates drug activities by providing an opportunity for such persons to retrieve contraband from their vehicles for use and/or distribution inside and adjacent to the Licensed Premises. Additionally, this measure is intended to alleviate the problem of patrons loitering in and around the parking lot during Licensee's operating hours and engaging in illegal, disorderly or nuisance causing behaviors.
2. Licensee's security staff shall be required to obtain photo identification cards, prepared by the Sayreville Police Department, that must be kept on their persons at all times while employed at or located on Licensee's property. This measure is intended to alleviate difficulties encountered by police investigation complaints on the premises, in which members of the security staff are identified as either potential witnesses or suspects and is also designed in response to the findings of a previous ABC investigation in which it was discovered that some of the employees found on-site during the investigation were not properly entered in Licensee's employee records.
3. Licensee shall provide proper trash receptacles in the parking lot and shall cause Licensee's parking lots and other outside premises, as well as all residential areas within a five hundred (500) foot radius of the Licensed Premises, to be cleaned of all litter, trash and other discarded items. Such cleaning shall be accomplished by ten o'clock in the morning (10:00 a.m.) each day following the hours of operation of the Licensed Premises such that the above-described areas shall be free from all such litter, trash and other discarded items as may be generated by and/or associated with Licensee's operation. To the extent that residents within such five hundred (500) foot radius consent to permit access to private property for the purposes of such cleaning on private property, Licensee shall cause such private property to be cleaned of all litter, trash and other discarded items, at Licensee's sole cost. This measure is designed to alleviate any problem associated with the accumulation of empty beverage containers, cans, bottles and other debris that results from the operation of the Licensed Premises. .
4. Licensee shall construct and maintain an 8' high solid fence at the rear property line mandated by the Planning Board Resolution dated March 2, 2016, before conducting any public event.
5. Licensee shall install "zero tolerance" signs inside the Licensed Premises, at or adjacent to the entry to the premises, containing language indicating that patrons will be prosecuted to the fullest extent of the law for any possession, sale or distribution of any drug, controlled substance or drug paraphernalia. This measure is designed to discourage drug activity occurring at or on the Licensed Premises.
6. Licensee shall install soundproofing equipment and/or take any other necessary steps to limit the escape of sound and vibration from the Licensed Premises, sufficient to ensure that no audible sounds is transmitted beyond the property line of the Licensed Premises. This measure is designed to alleviate concerns regarding noise levels as recounted from complaint received by members of the Council pertaining to the Licensed Premises.
7. Licensee shall keep all doors at the rear of the building closed.
8. Licensee shall cease all sales of alcohol at 1:30 a.m. and shall cease the playing of all music at 1:45 a.m. This measure is designated to facilitate the prompt and orderly exiting of patrons at or before the time of closing and to prevent large

groups of patrons from exiting the Licensed Premises at the same time, resulting in loitering around the Licensed Premises and in the street, blocking traffic and inhibiting the dispersal of other patrons from the Licensed Premises and from the area.

9. Licensee shall require security staff, except for undercover security staff employed by Licensee, to wear clothing or uniforms which are highly visible and well-marked on the front and rear. This shall include orange shirts with black block letters stating "SECURITY". This measure is designed to ensure that security staffers constitute a visible, identifiable and adequate security presence to discourage unlawful, disorderly, or hazardous activities within the Licensed Premises and in the parking lot to further assist police in identifying security personnel when patrolling or responding to complaints or calls.
10. Licensee shall institute a policy of providing security staff in a ratio of one (1) security employee for each fifty (50) patrons, and that such security personnel be stationed in the parking lot area of the premises at all times during the hours of operation to control and supervise the parking lot area, not only with regard to parking, but with regard to the conduct and behavior of the patrons while on the Licensed Premises. Licensee shall post a security guard in the rear parking lot during its hours of operation. Parking attendants and valet parking staff shall not count as "security staff" in calculating the proper ratio of security staff to patrons. The ratio of one (1) security employee for every fifty (50) patrons is only for those security personnel who are being identified and/or are in uniform. Any undercover personnel that Licensee wishes to employ are in addition to the one per fifty patron security ratio. This measure is designed to ensure that the security staff employed by Licensee is sufficient to handle the numbers of patrons in attendance on a given night so as to constitute a visible, identifiable and adequate security presence, to discourage unlawful, disorderly or hazardous activities within the Licensed Premises and in the parking lot.
11. Licensee shall strictly enforce a policy to bar admittance to any patron who is not wearing a non-removable wristband, that has been provided to such patron by Licensee's valet parking attendant or parking supervisor, as evidence that the vehicle in which such patron arrived at the Licensed Premises has been parked in Licensee's parking lot. The only exception to this policy shall be for those patrons who demonstrate to Licensee before admittance that they hold a valid New Jersey motor vehicle license indicating that they reside within five hundred (500) feet of the Licensed Premises and have not arrived at the Licensed Premises in a motor vehicle. This condition is intended to restrict admittance to the Licensed Premises to only those patrons whose vehicles, as a driver or occupant thereof, are lawfully parked in Licensee's parking lot, in order to address issues raised by at the Planning Board regarding illegal parking, property trespass, loitering, and related nuisances.
12. Licensee shall institute a policy requiring its security staff to immediately report to the Sayreville Police Department any violations of Title 39 observed by such staff in and around the Licensed Premises, and to provide the Borough Clerk, on a monthly basis, with a list of all such reports made by the Licensee's security staff to police within the prior month.
13. On a weekly basis, Licensee shall deliver in person, mail, or fax a copy of the E-141-A list, commonly known as the employee list, to the Police Department. DJs, dancers and other entertainers are to be included as employees as per ABC rules.
14. Licensee shall provide a list of entertainers who are booked prior to the scheduled date. The information shall be delivered to the Sayreville Police Department at the time a contract is executed and signed and the information shall be delivered to the Sayreville Police Department as to the name of the outside entertainer employees.
15. Teen nights are prohibited.

16. All patrons will have their vehicles valet parked, and upon presenting proper ID, will receive a wristband. Once a person exits the premises, they cannot re-enter.
17. Occupancy shall be limited to six hundred (600) persons.
18. During the six months following June 30, 2016, no more than five (5) public events shall be permitted on the premises. Thereafter, no public events may be conducted without Planning Board Approval and subsequent amendment of this Condition.
19. Notice of all public events shall be provided to the Sayreville Police Department at least seventy two (72) hours in advance of any public event scheduled on the premises. Licensee shall participate in community meetings if requested by the Police Department.
20. During public events, the licensee shall submit to random noise level readings by the Sayreville Police Department.
21. Licensee shall provide independent noise level readings for every public event for review by the Police Department within 72 hours after the event. Noise levels must meet the State standards contained in N.J.A.C. 7:29-1, *et seq.*
22. All public events must be managed by the Licensee and not by a third party.
23. The applicant shall provide a security guard at the rear parking lot in order to prevent trespassing on the adjacent residential lots.
