ZONING 732-390-7004 • CODE ENFORCEMENT 732-390-7028
FAX 732-390-7458

For All Residential Resale/Rental Applicants:

The Borough of Sayreville is pleased to announce the launch of our new Online Citizens Portal, designed to transform how you access services. The portal will be accessible on April 24th to view and create an account. Please follow the link on the Sayreville website home page, create an account, and the rest is easy.

Starting May 1, 2023, you will have the capability to apply, pay, and schedule all residential resale and rental applications. The procedure for all rental and resale applications will be as follows:

- Create an account
- Complete the application, make sure all information required (*) is accurate and then submit
- Our office will review the application and forward an email with the appropriate fee usually within one business day.
- Pay the fee online and request a preferred appointment date (Resales – Monday and Wednesday, Rentals – Tuesday and Thursday)
- Upon receipt of the payment and review of the appointment request, our office will confirm the appointment or provide alternate dates via email.

We are excited this new service will streamline the process and, ultimately, offer a convenience to you. We appreciate your patience as we navigate this new process together and look forward to hearing your comments.

If questions or concerns arise, please contact my office for further assistance.

Regards,

Kirk J. Milick

Director of Code Enforcement
