

BOROUGH OF SAYREVILLE
Community Development Block Grant
Program

2024 ANNUAL ACTION PLAN

July 1, 2024 to June 30, 2025

Borough of Sayreville
167 Main Street
Sayreville, NJ 08872
732-390-7060

FOR PUBLIC DISPLAY JUNE 15, 2024

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The Borough of Sayreville is being allocated \$216,557. in Community Development Block Grant (CDBG) funds by the United States Department of Housing and Urban Development (HUD). The Borough of Sayreville CDBG Committee proposes the following projects for program year 2024 commencing on July 1, 2024:

1-ADA Improvements to Recreational Path at Veteran's Park

2-Public Facility/Infrastructure/Park Project to be determined

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The Borough of Sayreville's mission is to build a better community by implementing our Community Development Block Grant Program in response to the needs of our community, to improve public facilities that serve low and moderate neighborhoods, protect homeownership for our low and moderate-income residents, and to seek cooperation with other community, state and federal organizations in the development of our initiatives.

The Borough's 2024 Annual Action Plan outlines the activities to be undertaken during this program year that will meet these goals, and continue the overall housing strategies set forth in the FY 2020-2024 Consolidated Plan

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The Borough of Sayreville prepared a Consolidated Annual Performance and Evaluation Report (CAPER) for FY 2022 (July 1, 2022 to June 30, 2023). This CAPER was the third of the five year period and reported the FY 2022 accomplishments of the Borough's CDBG Program.

During the period from July 1, 2022 to June 30, 2023, the Borough received an allocation of CDBG funding totaling \$ 239,024.00.

During the 2022 Program Year, the Borough expended funds on the following projects:

1. IDIS 102 - Grant Administration - \$15,893.44
2. IDIS 103 - ADA Improvements Senior Housing - \$70,516.64
3. IDIS 104 - Senior Center Window Renovations 2021 - \$41,222.96
4. IDIS 105 - Senior Center Shuttle Bus - \$34,082.00

The Township has made significant progress in meeting their goals for the 2022 Program Year and anticipates meeting their goals for Program Year 2023.

4. Summary of Citizen Participation Process and Consultation Process

Summary from citizen participation section of plan.

The Borough has encouraged and invited citizens and organizations that serve the community to provide input throughout the planning process. The Citizen Participation Plan outlines its policies and procedures regarding public involvement, as required by 24 CFR Part 91.105. Federal regulations require entitlement communities to provide for citizen participation during the Consolidated Plan process. At a minimum, HUD requires that two public hearings be held.

In addition, the Borough's CDBG Coordinator consulted with Sayreville Business Administrator, CDBG Committee and Superintendent of the Department of Public Works

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

There were no comments on the 2024 Action Plan

6. Summary of comments or views not accepted and the reasons for not accepting them

N/A

7. Summary

The Borough of Sayreville CDBG committee's mission is to build a better community by implementing our program in response to the needs of the Community, to improve public facilities that serve low and moderate neighborhoods, protect homeownership and to seek cooperation with other community, state, local and federal entities in the development of our initiatives. The CDBG Committee seeks to maintain a vital community during a time increased demand on resources.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The Borough of Sayreville seeks to coordinate efforts with every level of government, non-profit organizations, businesses and residents alike. A key element in the development of the plan is consultation and information sharing to identify underserved needs and find strategies to address them.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The Borough's Housing Specialist/CDBG Administrator works closely with public and assisted housing providers by providing funding opportunities through CDBG and the Borough's affordable housing funds. These funds are used in the creation of new affordable housing and/or for repairs or replacement systems to existing structures that provide housing for eligible persons and families. These efforts have proven to keep these housing units affordable in the operation of these housing units. Moreover, the Borough continues to supplement service providers with CDBG funds under the Public Service cap in order to keep programs available for the elderly, severely disabled, and very-, low-income persons.

The Borough of Sayreville also consulted with Department Supervisors, the Sayreville Office on Aging and the Sayreville Housing Authority in the development of the plan. These agencies provided valuable information on the needs of their facilities and their constituents.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

In New Jersey, the state requires that each county establish a Human Services Advisory Council (HSAC) to coordinate the provision of all human/social services in the county. The state further requires that a Comprehensive Emergency Assistance System (CEAS) subcommittee be established in each county, specifically to coordinate the provision of services and housing to the homeless.

The Continuum of Care is coordinated through Middlesex County and the Borough of Sayreville is part of that consortium.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Borough of Sayreville does not currently receive ESG funding

2. Agencies, groups, organizations and others who participated in the process and consultations

AP-12 Participation - 91.401, 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The Borough of Sayreville will encourage the participation of residents in the process of developing and implementing the consolidated plan through the following:

A. Access to Information

Citizens, public agencies, and other interested parties shall have the opportunity to review and submit comments on the plans and reports prior to the submission to HUD.

B. Publishing the Plan

The Borough shall public a summary of the Consolidated Plan in the official newspaper of the municipality. The summary shall describe the contents and purpose of the Consolidated Plan and shall include a list of the locations where copies of the entire plan may be examined. The will be made available at the Borough of Sayreville Public Works office and the Borough Clerk's Office.

The Borough of Sayreville shall provide for at least two (2) public meetings per year to obtain citizen views. The public meetings shall be held at different stages of the program year. At least one public meeting will be held before the submission of the Plan

C. Notice of Hearings

The Borough of Sayreville shall provide that adequate advance notice shall be given to citizens for each hearing, with sufficient information published about the project subject of the hearing to permit informed public comment. The Borough shall advertise public notice in the official newspaper of the municipality prior to the hearing date.

D. Access to Meetings

The Borough shall provide reasonable and timely access to local meetings. It is the intention of the Borough to hold all public meetings at Sayreville Borough Hall, 167 Main St., Sayreville, NJ.

E. Comments

The Borough shall notify residents of availability of the plan, as adopted, any amendments and its performance report(s), as these documents are developed, to afford citizens a reasonable opportunity to examine their contents.

The Borough shall provide a period of not less than thirty (30) days to receive comments from citizens, or local units of government on the plan, and any amendments. The Borough of Sayreville shall provide a period of not less than fifteen (15) days to receive comments on annual performance reports.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

In Sayreville, there are no specific areas of the entitlement other than those areas of L/M income identified in the 2020 census. The Borough distributes CDBG funding Boroughwide to outside agencies and Borough departments that provide services to the low-income populations.

Geographic Distribution

Target Area	Percentage of Funds
Senior Center	
Borough Wide	100

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The Borough will fund projects to remove ADA Accessibility at a Borough Park that is open to all residents.

The basis for allocating investments geographically within Sayreville correlates to the statues for the CDBG program that sets forth three basic goals that relate to HUD’s major commitments and priorities:

1. Provide decent housing by assisting homeless persons to obtain affordable housing; retaining affordable housing stock; increasing the availability of permanent housing that is affordable to low-income persons without discrimination; and increasing supportive housing that includes structural features and services to enable persons with special needs to live in dignity.
2. Provide a suitable living environment by improving the safety and livability of neighborhoods; increasing access to quality facilities and services; reducing the isolation of income groups within areas by de-concentrating housing opportunities and revitalizing deteriorating neighborhoods; restoring and preserving natural and physical features of special value for historic, architectural, or aesthetic reasons; and conserving energy resources.
3. Expand economic opportunities through the creation of jobs that are accessible to low-income persons; providing access to credit for community development that promotes long-term economic and social viability; and empowering low-income persons to achieve self-sufficiency in federally assisted and public housing.

The geographic distribution described above allows Sayreville to adhere to its funding allocation principals and abide by CDBG regulations, put the most resources where the greatest need is, utilize resources in the most efficient and effective manner. The fact that all of the funds will be going toward

activities with a Borough-wide benefit reflects the fact that eligible residents - both income- based and presumed benefit-based - are located throughout the Borough.

Discussion

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

The policies of the Borough of Sayreville encourage the provision and development of affordable housing in the community. The Borough of Sayreville does not maintain any policy that negatively impacts upon the availability of affordable housing or the incentive to develop, maintain or improve affordable housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Sayreville has created a Housing Element and Fair Share Plan that elaborates the various ways the Borough will facilitate affordable housing in great detail, has zoned land for the development of multi-family housing, and has engaged an Administrative Agent to help facilitate the administration of their affordable housing programs.

Discussion

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

The Borough of Sayreville Community Development Block Grant Committee takes a comprehensive approach to providing services to low- and moderate-income residents of the Borough of Sayreville. In order to effectively identify and serve need, the CDBG committee place a high priority on communication, coordination and cooperation with businesses, residents, other units of government and local service providers.

Actions planned to address obstacles to meeting underserved needs

The Borough of Sayreville will continue its citizen participation efforts and consultation initiatives to identify and close the gap for underserved needs.

Actions planned to foster and maintain affordable housing

The Borough of Sayreville will continue to review and discuss the needs of the Housing Rehabilitation program in order to help address affordable housing and coordinate its efforts with the Sayreville Housing Authority

In addition, the Borough is dedicated to providing affordable housing to low- and moderate-income persons and families, currently, including special needs units. The Borough has an Affordable Housing Administrative Agent, which maintains an up-to-date listing of the affordable housing developments in the Borough where interested applicants can pre-apply and join waitlists for future available units.

Actions planned to reduce lead-based paint hazards

The Borough proposes no changes to its existing lead-based paint hazard reduction programs. All homes that are qualified for assistance are tested before work begins and must have a clearance report filed as part of the contract close-out procedures.

Actions planned to reduce the number of poverty-level families

The Borough will continue to refer residents to those agencies and departments that assist the neediest people and families during the 2023 program year. Middlesex County operates several programs that provides assistance in employment and training, economic development, and social services. Moreover, the Borough will also refer the homeless and near-homeless to its public housing authority, which

gives priority to the homeless on their waiting list and placement.

Actions planned to develop institutional structure

The Borough will continue to work with agencies and departments at all levels of government during the 2024 program year as well as with nonprofits and agencies that provide housing and/or services to low- and moderate- income populations.

Actions planned to enhance coordination between public and private housing and social service agencies

During 2024, the Borough and the CDBG Coordinator will continue to meet with housing providers and social service providers to encourage the development of affordable housing and permanent supportive housing as well as providing services to those in need.

Discussion

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(I)(1,2,4)

Introduction

In the implementation of programs and activities under the 2024 Annual Action Plan, the Township will follow all HUD regulations concerning the use of program income, forms of investment, overall low- and moderate-income benefit for the CDBG program.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%
