

SAYREVILLE RECYCLING SANITATION

2025 GUIDE

RECYCLING CENTER & BULKY TRASH

NOTE: No contractors, landscapers or businesses are permitted to make drop-offs at Fort Grumpy. Proof of Residency Per Vehicle Required.

The Sayreville Recycling Drop-Off Center is located at 3750 Bordentown Avenue. Hours of operation for **bulk trash items** and **recyclable items** are Monday AND Friday ONLY, 7:30am to 1:00pm (gates close at 12:55). Fort Grumpy is also open on the first and third Saturday of each month from 7am to 12 noon for both bulk trash and recyclable items (gates close at 11:55). Further information is available by calling 732-390-7042, Cable Access Channel 15 or www.sayreville.com. Permissible in-person drop-offs include:

- All regular curbside recyclables.
- Appliances (conventional ovens, microwave ovens, washers, dryers, stoves, doorless refrigerators, hot-water heaters, and air conditioners).
- Brush (woody plants, limbs, and branches of not more than 5 inches in diameter).
- Mixed Paper (mail, magazines, advertisements, envelopes, office paper, telephone books).
- Grass clippings (see page 6 in this flyer).
- Tires (auto only). Limit 4 tires, rims accepted.
- Textiles.
- TVs, computers, desktop printers
- Auto, rechargeable and button cell batteries.
- Furniture, lumber, rugs, etc.

There should be no paint cans or hazardous waste in garbage bags brought to the Recycling Center as "Heavy Trash".

NO BOX TRUCKS OR FLAT BEDS ALLOWED

NO COMMERCIAL VEHICLES

MAXIMUM 3/4 TON PICK UP TRUCK

MAXIMUM 8 FT CARGO VAN

NOTE: No contractors, landscapers or businesses are permitted to make drop-offs at Fort Grumpy. No Hazardous Waste allowed at Fort Grumpy.

FORT GRUMPY WILL BE CLOSED:

January 20	July 4, 5
February 17	September 1
April 18, 19	October 13
May 26	November 28

RESIDENTIAL COMPUTER/TV RECYCLING

N.J.S.A.13:1E-99 prohibits the disposal of covered electronic devices with waste. Borough residents (not businesses) may take their electronic devices to the Sayreville Recycling Center (Fort Grumpy).

Items accepted: Desktop and laptop computers, monitors, televisions, desktop printers and fax machines.

NJAC7:26-3.3(a)2

- Passenger vehicle cannot have a GVW that exceeds 9,000 pounds.
- A vehicle pulling a trailer combined GVW may not exceed 16,000 pounds.
- Trailers can be no longer than 10 feet.
- Only homeowner's waste is accepted.

The following items are not recycled at the Recycling Center:

- Concrete, bricks, asphalt, paint, oil, HHW.
- Landscaping debris (dirt, gravel, stone, concrete pavers, etc.).

These items must be disposed of at the proper solid waste or recycling facilities.

Residential construction debris brought to the recycling center must not exceed the capacity of a pickup truck with an 8-foot bed and a height of 2 feet.

STREET SWEEPING

TENTATIVE SCHEDULE

Schedule is weather and manpower dependent. Please remove cars from roadways on scheduled days.

1st Sweep: April 1 - April 30

2nd Sweep: June 2 - June 30

3rd Sweep: August 1 - August 29

4th Sweep: October 1 - October 31

Zone 1: Tuesday/Wednesday

Zone 2: Thursday/Friday

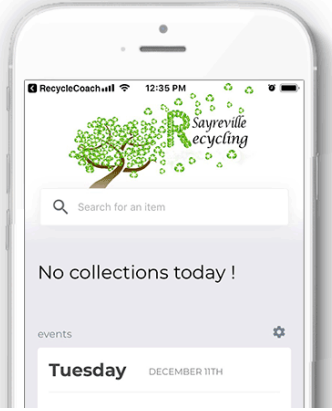

Zone 3: Monday

RECYCLE COACH

Your free recycling and garbage curbside collection information is just a click away.

You get:

- A personalized collection schedule
- Custom collection reminders
- A **What Goes Where?** search tool
- A **What type of recycler are you?** quiz

What Goes Where?

Get all the answers from Recycle Coach.

Free Recycle Coach app includes local recycling schedules, countywide recycling programs and more.

Residents who are puzzled over the recycling rules can get all the answers from Recycle Coach, a free app for all mobile devices or online tool on our Borough website. Recycle Coach features a user-friendly "What Goes Where" tool where you can search for how to recycle specific items. It provides quick answers to question like:

- Can I recycle Styrofoam packing blocks? (no)
- What can I do with leftover house paint?
- Can I recycle hangers? (no)

You can access your recycling/trash pick-up schedules and set reminders for upcoming events.

BULKY TRASH PICKUP:

Heavy trash collection volume is limited to two cubic yards, or three feet by three feet by six feet.

Zone 1: April 3, July 10, October 2

Zone 2: April 10, July 17, October 9

Zone 3: April 17, July 24, October 23

- Mattresses and boxsprings must be wrapped in plastic or placed in disposable plastic bags
- Green automated containers are not permitted for bulk pickup.
- No stumps, sod, dirt, concrete, asphalt, or stones
- Items cannot exceed 4 feet in length and lumber must be tied in bundles and free of nails
- Window casings must have the glass removed. All glass must be packaged/wrapped separately to render it free from hazard.
- All construction materials must originate from property which the refuse is placed for collection.
- If a contractor is hired for remodeling or demolition, it is the resident and/or contractor responsibility to remove the debris.
- No metal with heavy trash*
- Supervisor discretion will be used for bulk pickups that do not meet our guidelines.
- **See website for additional information**

Please do not place these items curbside with regular recycling or bulk.

- Electronics (TVs, computers, cell phones, printers, etc.) Please bring to recycling center.
- Tires: Please bring to recycling center.

Please ensure all bulk items are set out in the designated area and not placed behind vehicles.
Bulk items placed behind vehicles will not be picked up.

If the bulky trash pickup guidelines are not followed, we will not be able to return for additional collections.

There are no special requests for bulk/trash pickups.

Please note that cardboard (no matter how large) is not considered bulky. It must be recycled (broken down and bundled and tied) for curbside recycling pickups.

*METAL, LIGHT IRON AND APPLIANCE PICKUP

(By appointment only)

These items are **not** accepted for bulk collection, but can be recycled with metal recycling:

- Metal items (BBQ grills, weight benches and weights, treadmills, lawnmowers with no gas, metal swings and basketball poles must be disassembled, with the poles cut into smaller sections, bed rails, etc.). Household appliances (refrigerators, stoves, microwaves, AC units, etc.) **See website for additional information.**

Collected January through September, excluding April and July during bulk trash months.

4th Thursday, all zones: Appliances containing refrigerants
4th Friday*: metal, light iron and non-refrigerant appliances (dishwashers accepted as bulk waste).

*Exception August 29th pick up (5th Friday)

No motorized scooters/lithium batteries

Please call to schedule an appointment. Pickup slots are subject to availability.

Public Works (732) 390-7008 or (732) 390-7043 on the Monday or Tuesday before your scheduled pickup day.

TRASH PICKUP

Zone 1 - Mondays

Zone 2 - Tuesdays

Zone 3 - Wednesdays

Curbside Placement: For all pickup categories on this page, placement is required the night before your scheduled pickup.

Holiday Collection Changes: Please note holiday changes will be posted on-line at www.sayreville.com, the Cable Access Channel 15, (732) 390-7046 or Recycle Coach.

PICKUP ZONES Trash, Street Sweeping, Bulky Trash, Appliances

Zone 1: Sayrewoods, Parkway Homes, Melrose, President Park, Oaktree North, Sherwood Forest, Patriot Hill, upper Main St. (Hilltop Avenue area), Old Bridge section, Munns Village, Bordentown Ave. (Old Bridge to South Amboy), and Woodside Estates.

Zone 2: Morgan, Appletree Village, Morgan Heights, Oaktree East, Spinnaker Point, Laurel Park, Parlin area (including North Edward St. to end of Deerfield Rd., and South Edward St. to Guest House), White Oaks, Upper Pine Brook, Hillcrest Homes, Washington Rd. (to corner of Marchut Court, both sides), and Deerfield Rd., La Mer (leaves only), Cheesequake Rd., Pillar Dr.

Zone 3: Sayreville Proper, Tangletown, Winding River, Towne Lake, Sayre Park, Lower Sayreville (including lower Pine Brook), Natures Walk, Horseshoe Rd. section, Oaktree West, Green Valley, Washington Village, Heritage Woods, and Washington Rd. (from corner of Marchut Court to bridge, both sides).

NO RECYCLABLES SHOULD BE PLACED IN GARBAGE BAGS AND THROWN AWAY IN THE HEAVY TRASH CONTAINER.

TRASH CONTAINER PLACEMENT

1. Place trash container on the street with wheels to the curb, the night before your scheduled pickup.
2. If you have more than one trash container you must place them approximately two feet apart.
3. Do not place trash container against any of the following items: cars, telephone poles, mailboxes, etc.
4. Do not place the trash container under any basketball hoops. The municipality is not responsible for any damage to basketball hoops.
5. Do not place any heavy trash or lumber in the containers. Residential household trash only.
6. During winter months, please do not place cans on top of snow mounds.
7. During winter months, please make sure lid is free of ice and snow.

Examples of Proper Trash Container Placement:

GENERAL GUIDELINES

- Grass is not accepted as a trash item.
- Grass must be placed in a covered, sturdy container (max. 32-gallons).
- Grass placed in plastic bags, or in biodegradable paper will not be collected.
- Containers must have two handles for easy lifting.
- Weight per container cannot exceed 30 pounds.
- Containers must be clearly marked "Grass Clippings."
- Do not mix with any other type of waste.
- Place containers at curbside by 6 a.m. on the designated collection day.
- No landscape barrels.

WEEKLY SCHEDULE

MONDAY: Morgan section, Appletree Village, Morgan Heights, Oaktree East, Parkway Homes, Sayrewoods, Miara Street, Genus Court, Bordentown Avenue from Hole in the Wall to Burtlew Place, La Mer, Patriot Hill and Spinnaker Point.

TUESDAY: SayrePark, Lower Sayreville (including lower Pine Brook), Natures Walk, Horseshoe Road area, Tangletown, Sayreville Proper, Heritage Woods, Winding River, Rivers Edge, Melrose and Sherwood Forest.

WEDNESDAY: Munn's Village, Pillar Drive, Hilltop/Kenneth/Lee Avenues, President Park, Johnson's Lane, Washington Road (Truman Avenue to parkway Bridge), Washington Village, Green Valley, Oaktree West, Oaktree North and Towne Lake.

FRIDAY: Laurel Park, Ernston Estates, Ernston Hill Estates, Woodside, Old Bridge Section (Bordentown Ave. from VFW to Cheesequake Rd.), North Edward Street to end of Deerfield Road, South Edward Street to Guest House, White Oaks, upper Pine Brook, and Washington Road (both sides from Guest House to Riverside and Marchut Court).

HOLIDAY COLLECTION:

If your grass collection day falls on a holiday it will be picked up the following week. Grass pickup cancelled on May 26th, July 4th and September 1st.

FORT GRUMPY GRASS DROP-OFF

Optional drop-off at Fort Grumpy is weekdays, Monday and Friday only, 7:30 a.m. to 1:00 p.m., and the 1st and 3rd Saturday, 7 a.m. to 12 noon.

- No landscapers are permitted.
- No leaf bags accepted.

BACKYARD COMPOST BINS

Composting is a natural process by which grass clippings, yard waste and even kitchen scraps break down or decompose to form a rich soil-like substance to fertilize or condition soil.

Bins can only be purchased on the first and third Wednesday of each month, between 11am and 2pm, at a location to be announced. Four types of bins are available, ranging in price from \$20 to \$50. A free kitchen pail and composting guide are included with each purchase.

Please contact the Middlesex County Division of Solid Waste Management, 732-745-4170 or email: solidwaste@co.middlesex.nj.us, for location details or additional information on the bins.

CUT IT & LEAVE IT

Recycle Grass Clippings the Environmentally Friendly Way

The preferred alternative for handling grass is to cut it and leave it through the mulching process. Mulching saves mowing time and provides nutrients for a healthier lawn. It also saves landfill space and reduces the cost of waste disposal. For more information, contact the Middlesex County Division of Solid Waste Management at (732) 745-4170.

BRANCHES

Branches are collected on the first and third Fridays of February, March, May, June, August and September.

Must be bundled and tied or will not be collected.

The Borough will collect branches no larger than five inches in diameter, plus shrubs and tree parts. All items must be tied in bundles, not to exceed four feet in length, nor 30 pounds in weight. Smaller twigs can be placed in open, hard-type containers. Branches left untied or placed in plastic bags or biodegradable bags will not be collected.

For holiday collection changes, call the information hotline, (732) 390-7046, or tune in to Cable Access Channel 15, or visit www.sayreville.com.

CHRISTMAS TREES

Discarded Christmas trees will be collected on the first and third Fridays in January. Please remove all decorations and do not place trees in plastic bags.

TREE REMOVAL

Residents wishing to remove a curbside tree must obtain a permit from the Shade Tree Commission. Please call the DPW Office at 732-390-7043/7044 for assistance.

PAPER SHRED

Recycle your old documents and confidential files safely and securely! Come to a mobile paper shredding event.

Sayreville Recycling Center-Fort Grumpy

3750 Bordentown Ave., Sayreville

Date: April 26, 2025

Time: 9 am - 12 pm or until the shredding truck is filled.

Any questions, please contact the Recycling Coordinator at 732-390-7008 recycling@sayreville.com

2025 LEAF COLLECTION

Only leaves collected in biodegradable paper bags will be picked up by the Borough. Weight limit: 30 pounds. The bags are provided to residents at no charge, and are available with proof of residency. The bags will not be collected if used for any other type of waste. Collection delays may occur due to high volume. No plastic bags will be collected at curbside or accepted at the recycling center.

	ZONE 1	ZONE 2	ZONE 3
Spring	March 6 May 1	March 13 May 8	March 14 May 9
Fall	Nov. 6, 20 Dec. 5, 18	Nov. 7, 21 Dec. 11, 19	Nov. 14 Dec. 4, 12

Sanitation crews may pick up leaves earlier than listed, BUT WILL RETURN on scheduled pick up day.

LEAF BAGS

Leaf bags will be available for pickup starting October 27th for the fall leaf recycling season. Leaf bags may be picked up at the DPW office located behind Borough Hall Monday through Friday from 8 am to 4 pm or may be picked up at the Recycling Center (Ft. Grumpy) 3750 Bordentown Avenue, Monday & Friday only, from 7:30 am to 1:00 pm and 1st and 3rd Saturdays from 7 am to 12 noon.

Leaf bags will be available during the leaf recycling season ONLY

	 <p>Plastic Bottles, Jars, Jugs, and Tubs</p>	 <p>Glass Bottles and Jars all sizes, shapes, and colors</p>
	 <p>Mixed Paper paper, newspaper, magazines, cereal boxes, softcover books</p>	

	 <p>Plastic Bags, Film, Wrappers, Cups, and Utensils</p>	 <p>Dishware, glass, and mirrors</p>
	 <p>Greasy or food- contaminated items</p>	
 <p>Tanglers i.e. garden hoses, electric cords</p>	 <p>Styrofoam</p>	 <p>Syringes, batteries, and bulbs</p>

No plastic bags will be accepted. No pizza boxes.
Boxes must be flattened, bundled, and securely tied into
stacks no larger than 48 inches square and 12 inches high.
No more than 6 bundles.

CARDBOARD IN PLASTIC BAGS WILL NOT BE ACCEPTED.

- Cardboard must be flattened and tied.
- NO PIZZA BOXES!
- Bundles should not exceed 48" x 12"
- No more than 6 bundles per home.
- NO PLASTIC BAGS!

RECYCLING COLLECTION GUIDELINES

Recycling pickups occur every other week and are managed by the Middlesex County Improvement Authority. Residents are required to place recyclables at the curb (not in the street) by 6 a.m. or no earlier than sunset the day before a scheduled pickup. Filled receptacles cannot weigh more than 50 pounds each. If a pickup falls on a holiday, it will be postponed to the following Saturday.

Collection schedule changes caused by weather emergencies will be announced on radio stations WCTC1450 AM, WMGQ 983 FM, and NJ 101.5 FM. Schedule changes will also appear on Cable Access Channel 15.

24-hour notice is required for missed pickups. Call (800) 488-6242 or (609) 655-5141.

2025 BI-WEEKLY PICKUP

TUESDAYS: Sayrebrook Townhomes, President Park, Patriot Hill, Oaktree North, Sherwood Forest, Horseshoe Road area, Melrose, Morgan, Appletree Village, Morgan Heights, Munns Village, Bordentown Avenue (Route 9), Upper Sayreville (Hilltop Avenue area), Spinnaker Point and Regents Wharf.

Jan. 14, 28	April 8, 22	July 1, 15, 29	Oct. 7, 21
Feb. 11, 25	May 6, 20	Aug. 12, 26	Nov. 4, 18
Mar. 11, 25	June 3, 17	Sept. 9, 23	Dec. 2, 16, 30

WEDNESDAYS: Laurel Park, Ernston Estates, Ernston Hill Estates, Woodside Estates, Parkway Homes, Oaktree East, LaMer, Old Bridge section, Bordentown Avenue (west of the Garden State Parkway), Kenneth Avenue, Eugene Boulevard section, and Sayrewoods.

Feb. 12, 26	May 7, 21	Aug. 13, 27	Nov. 5, 19
Mar. 12, 26	June 4, 18	Sept. 10, 24	Dec. 3, 17, 31

*** January 1, 2025: Wednesday is changed to January 4, 2025 Saturday.**

THURSDAYS: Lower Sayreville (from Van Loan up to and including River Road), all of Jernee Mill Road, Sayre Park, White Oaks, Pine Brook Homes, Hillcrest Homes, Deerfield Road (all areas from Deerfield Road up to and including Marchut Court), Oaktree West, Green Valley, Washington Village, Heritage Woods and Washington Road (both sides from Burke's Park to the bridge).

Jan. 2, 16, 30	April 10, 24	July 3, 17, 31	Oct. 9, 23
Feb. 13, 27	May 8, 22	Aug. 14, 28	Nov. 6, 20
Mar. 13, 27	June 5, 19	Sept. 11, 25	Dec. 4, 18

FRIDAYS: Sayreville proper, Tangletown, Winding River, Towne Lake.

Jan. 3, 17, 31	April 11, 25	July 5*, 18	Oct. 10, 24
Feb. 14, 28	May 9, 23	Aug. 1, 15, 29	Nov. 7, 21
Mar. 14, 28	June 6, 20	Sept. 12, 26	Dec. 5, 19

*** July 4th, 2025: Friday is changed to July 5th, 2025 Saturday.**

NOTE: Borough Holidays do NOT affect the recycling collection schedule.

Please be aware that recycling is a county program and is not done in zones.

The fact is that some recycling actions make a bigger impact than others. So please remember these three basic rules the next time you recycle:

Three Basic Rules

RULE 1

Recycle bottles, cans, paper and cardboard.

RULE 2

Keep food and liquid out of your recycling.

RULE 3

No loose plastic bags and no bagged recyclables.

CLOTHING RECYCLING PROGRAM

Please help support our Sayreville Police LEAD program, various charitable non-profit organizations, and our recycling programs by donations to any of the Borough clothing bins in town.

Please note: It is illegal to discard items other than clothes in or around these bins.

Clothing bins for the program can be found at the following locations:

- Fort Grumpy Recycling Center
- Sayreville Library
- Senior Citizen Center
- Sayreville ShopRite
- Sayreville Civic Center (Dolan St. & Veterans Dr.)
- Sayreville Police Complex

MIDDLESEX COUNTY HOUSEHOLD HAZARDOUS WASTE

Spring and fall household hazardous waste collection days are scheduled by the Middlesex County Division of Solid Waste Management. The program is open to all county residents on a drop-off basis only. Program dates and locations are advertised in local newspapers. (See tentative dates below.)

Materials accepted include motor oil, anti-freeze, rechargeable and button cell batteries, used paint, paint thinners, lawn-care products, pool chemicals, propane tanks, drain cleaners, aerosol cans, gasoline, gas/oil mix and fluorescent bulbs. For more information, call (732) 745-4170, or email: solidwaste@co.middlesex.nj.us.

Drop-Off Dates and Locations (Call us to confirm)

8:00 AM - 2:00 PM

- **Sun., March 16:** Middlesex County College, Edison
- **Sat., May 17:** Middlesex County DPW, North Brunswick
- **Sun., June 22:** Old Bridge Township Public Works
- **Sat., Sept. 20:** Middlesex County DPW, (750 Jernee Mill Rd), Sayreville
- **Sun., Nov. 16:** Middlesex County College, Edison

PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

MIDDLESEX COUNTY RESIDENTIAL PAINT DROP-OFF

Proof of residency in Middlesex County is required to use this weekly program. Accepted items include latex, water, and oil-based paints, stains, varnishes, lacquers, thinners, and paint aerosols.

No household hazardous waste and no commercial waste will be accepted. For directions and other information, call (732) 745-4170.

8:00 AM - 12 Noon

- **1st Saturday:** Middlesex, East Brunswick
- **2nd Saturday:** Dunellen, New Brunswick, Old Bridge
- **3rd Saturday:** South Plainfield, Helmetta, Monroe
- **4th Saturday:** Woodbridge, South Brunswick

2025 BOROUGH HOLIDAYS

- New Year's Day
- Martin Luther King Day
- Presidents Day
- Good Friday
- Memorial Day
- Independence Day
- Labor Day
- Columbus Day
- Veterans Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Day

Environmental Risks of Improper Disposal of Medication

When medications are thrown into the garbage or flushed down the sink or toilet, they may break down or dissolve into the soil or water supply. Although the concentration levels of these products may be very low, it could potentially be enough to harm the environment and possibly effect human health, particularly vulnerable populations like infants, pregnant women, the elderly and children. There are also concerns that antibiotics in the environment could contribute to antibiotic resistance, making it more difficult to treat infections.

The Borough of Sayreville is pleased to announce our participation in Project Medicine Drop. This initiative of the New Jersey Department of Community Affairs in conjunction with Sayreville Police Department will provide residents with a secure, environmentally sound manner of disposing of unused and expired medications (no liquids or syringes). The Project Medicine Drop Box is located in the Sayreville Police Department, 1000 Main St., Sayreville, NJ 08872.

Taking advantage of this program can help prevent unused medication from being flushed into our water supply.

www.sayreville.com / Boards / Sustainable Sayreville Home

A Guide to Healthy Habits For Cleaner Water

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common

pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or penalties.

EASY THINGS YOU CAN DO EVERY DAY TO PROTECT OUR WATER

- Keep Pollution Out of Storm Drains
- Limit Your Use of Fertilizers and Pesticides

“Only Rain Down the Drain”

**ADOPT
A STORM
DRAIN**

**Protect local
waterways**

Storm drains (also known as catch basins) are crucial parts of the Borough's infrastructure that collect rainfall and snowmelt that cannot be absorbed through asphalt or pavement. Keeping these drains clear and free of debris prevents pollutants from entering local waterways and helps reduce localized flooding by ensuring water can flow freely down the drain.

Caring for Sayreville's many storm drains is an enormous task, and while the Borough staff are working hard to maintain these assets and upgrade our stormwater management systems, support from community members can play a vital role.

The Borough "Adopt-a-Drain", invites volunteers to care for a storm drain (or drains!) in their neighborhood by ensuring it is clean and clear of debris, particularly ahead of heavy rain or snowfall.

CLEAN UP AFTER YOUR PET

- Sayreville has enacted and strictly enforces local pet waste rules. To become familiar with the rules, you may visit www.sayreville.com.
- An example is requiring pet owners or their keepers to pick up and properly dispose of the pet waste dropped on public or other people's property.
- Use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

DON'T FEED WILDLIFE

- Do not feed wildlife, such as ducks, geese and cats in public areas.
- Sayreville has enacted and strictly enforces rules prohibiting wildlife feeding in these areas.

DON'T LITTER

- Place litter in trash receptacles.
- Recycle, Recycle, Recycle.
- Participate in community cleanups.

DISPOSE OF YARD WASTE PROPERLY

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

WE CARE NEIGHBORHOOD CLEAN UP

OUR COMMUNITY – LET’S MAKE A DIFFERENCE!

Sayreville uses an annual grant from the New Jersey Department of Environmental Protection for litter abatement programs such as volunteer cleanups and education programs in local schools. Each year participating community groups collect discarded material in recreational areas, on school grounds and along local roadways. The Borough salutes all residents who participate in the Clean Communities Program.

Learn how you can help prevent and remove litter in our community. For more information, or to register, please contact the Recycling Department at 732.390.7008.

Take pride in our parks and in our Community

Please Use Recycling and Trash Receptacles

Visit us at www.sayreville.com

DO YOU KNOW WHY LITTER IS A PROBLEM?

Reduce Food Waste

Did you know?

30 – 40% of the entire U.S. food supply is wasted.

22% of solid waste in New Jersey is food waste.

500 pounds of food is estimated to be thrown away by each Middlesex County resident every year.

Donate Excess Food – Reduce Food Waste

Contact a nearby food bank or pantry to learn about their food donation needs.

www.Middlesexcountynj.gov/getfoodsmart

www.nj.gov/dep/dshw/recycling/

Did you know?

Recycling a single aluminum can saves enough energy to power a television or computer for three hours.

Did you know?

Recycling a single glass bottle saves enough energy to power a 100-watt light bulb for four hours.

Did you know?

Recycling five plastic bottles can produce enough fiberfill to stuff a ski jacket.

Did you know?

More than 52 million tons of paper products were recycled in 2018. That's roughly the same weight as almost 350,000 blue whales.

U.S. Environmental Protection Agency (EPA):

<https://recyclingpartnership.org/communitiesforrecycling/16-fun-recycling-facts-for-kids/>

By reducing and reusing, we can eliminate waste before it is created.

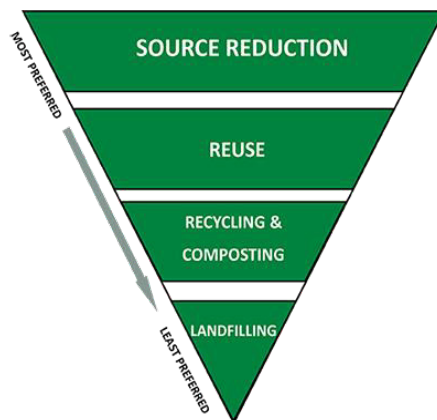

By reducing the amount of waste that you generate and reusing items when possible, you will help save money, energy, and resources for the next generation.

Simple changes you can make to reduce the waste in your home.

- Bring your own shopping bag
- Bring your own reusable water bottle.
- Say no to single use plastics (straws, cutlery, disposable plates & cups).
- Make a meal plan - slow down and eat at home.
- Start relying on reusable containers.
- Start composting.
- Learn to repair rather than discard.
- Cancel unnecessary mail.

Learn more about source reduction at these websites:

- www.epa.gov/osw/wycd/catbook/index.htm
- www.nj.gov/dep/dshw/recycling/source_red.htm

Reduce & Reuse - Middlesex County
<http://www.middlesexcountynj.gov/recycle>

AVOID THE SPARK™

Be battery safety smart.

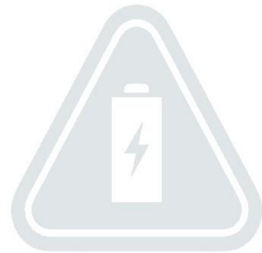

PREVENT FIRES, KEEP PEOPLE AND PROPERTY SAFE.

**DO NOT throw rechargeable batteries
in the trash or curbside recycling bin!**

Please bring rechargeable batteries
to the Sayreville Recycling Center
and dispose of them **SAFELY**.

You can also drop them off at the Public Works Office

RECHARGEABLE batteries must be ***RECYCLED***
properly. Household batteries such as AA's,
C's, D's etc. can be thrown in the trash.

Rechargeable = Recyclable

**NEVER PUT BATTERIES IN RECYCLING
BECAUSE THEY ARE CAUSING FIRES AT RECYCLING FACILITIES**

**PLEASE BRING
YOUR REUSABLE
BAGS
WHEN YOU SHOP!**

NJClean.org

**The only
cure for**

LITTER
is you.
