### Answer all questions below using the space provided. Do not attach answers as a separate document.

1. Complete a brief statement on the Fiscal Year 2025 proposed Annual Budget and make comparison to the Fiscal Year 2024 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

Proposed Revenues anticipate an increase in Administrative Fees as more Redevelopers have been approved. Reimbursements from Redeveloers are going to be recorded in the Escrow Account. In the past, all expenses were paid from one account and than the Escrow Account would than reimburse the Operating Account. Interest Rates remain high so SERA is anticipating more from its cash deposits.

Proposed Salaries and Wages are higher due to additional projects being approved which requires additional support staff. As explained above, expenses related to escrow will now be soley be paid from the Escrow Account and not Operating, Miscellaneous Cost of Providing Services has increased as SERA is aggressively maketing the Borough's Redevelopment plan.

Utilization of Net Position has decreased by more than 50%.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Program.

Redevelopers are continually/willing to work in Sayreville.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.) If the Authority's budget anticipated a use of Unrestricted Net Position, this question must be answered.

Unrestricted Net Position is being Utilized to supplement Redevelopment enhancements and to balance the budget.
